TUESDAY EVENING, JAN. 15, 1901.

LOCAL MATTERS.

Our first tomorrow at 7:38 a. m. and 10:15 a. m.

WEATHER PROBABILITIES.—For this section, fair, continued warm tonight and Wednesday; southerly winds, light to fresh on the coast.

A MAGNIFICENT TRAIN.—The Southern Railway yesterday signaled the opening of the Florida season by the first trip of the "New York and Florida Limited," a magnificent solid vestibuled train, which is annually added to the regular service for the benefit of the extra travel to the South during the first months of the year. It runs through solid from New York to St. Augustine during the tourist season from January 14 to the early part of April. It reaches this city at 7 p. m. The train is composed of new Pullman compartment drawing-room sleeping cars, and an observation and library car. The compartment cars each contain also handomely furnished compartments, which may be used either singly or en suite. Each is completely equipped with every convenience. The drawing room sleeping cars are luxuriously appointed. Each has twelve sleeping sections with drawing-room and toilet room at each end. All the cars are provided with large and comfortable smoking rooms. The library car is somewhat of an innovation. All the latest periodicals are kept on file and at the disposal of the passengers. The library car serves also as an observation car. The back and sides are almost entirely of plate glass, making a veritable sun-parlor. A wide platform at the rear surrounded by an ornamental brass railing provides a point of observation in the open air. The dining cars are of the latest designs and equipped with every convenience and the standard of cuisine of the finest hotels is maintained.

BUSINESS MEN'S LEAGUE.—The Business Men's League met last night, President Harlow in the chair.

The president reported the progress of the league work for the dredging of the channels, the extension of the U. S. buildings, etc.

Many communications from various societies were read, among them one from Mr. H. W. Thurston proposing to establish a knitting mill in Alexandria, and Messrs. George B. Hill, F. J. Paff, W. B. Smoot and the president were appointed a committee to confer with Mr. Thurston on the subject.

On motion, the secretary was instructed to write Mr. M. V. Richards, of the land and improvement department of the Southern Railway, to deliver an address before the business men of Alexandria on the subject of "Commercial Progress."

The officers were then reelected, vacancies being filled as follows: M. B. Harlow, president; J. C. Smoot, 2d vice president; John W. May, treasurer; Wm. F. Carne, secretary; G. L. Booth, C. C. Leadbeater, Wm. M. Beardon, J. K. Norton, E. E. Downham, J. Goldsmith, H. Baader, Frank King, J. R. Cato, F. Paff, F. L. Smith, Isaac E. J. Tackett, J. M. Johnson, W. B. Smoot and J. F. Tackett.

After discussion of general interest of the city by Messrs. W. M. Beardon and F. Paff, the meeting adjourned.

FUNERALS.—The funeral of the late Miss Patti T. Jackson took place from Christ Church at 12:30 o'clock today, the services being conducted by Revs. Berryman Green and P. P. Phillips. The remains were sent to Fredericksburg for interment.

The remains of the late Miss Sallie F. Hoos, who died at Longwood, Fauquier county, on Sunday, were brought here today and interred in Ivy Hill Cemetery. The services were conducted by Rev. P. P. Phillips. The pallbearers were W. A. Smoot, Thos. Perry, Wm. H. Lambert, Geo. Usher, J. W. Green and M. J. Johnson.

The funeral of Miss Sallie J. Martin took place this evening from the residence of her brother, Mr. Joseph E. Martin, on south Patrick street. The services were conducted by Rev. Dr. Brooks.

The funeral of the late Mrs. Margaret E. Beard took place this evening from her home, No. 207 Wolfe street. Rev. John Cavanaugh conducted the services.

NATIONAL UNION.—Alexandria Council, National Union, held a large and interesting meeting last night at their hall on north Pitt street, at which the following officers were installed to serve for the ensuing year: L. W. Woody, president; W. P. Henshaw, ex-president; Thomas H. Bayne, vice president; Jos. H. Brynes, speaker; Charles H. Davis, recording secretary; S. P. Jackson, financial secretary; Jas. McCuen, treasurer; Jas. E. Sampson, chaplain; Thomas U. Fairfax, usher; E. Jewell, sergeant-at-arms; M. K. Norris, doorkeeper; L. W. Woody, Thos. H. Bayne and James McCuen, trustees. After the installation a "smoker" was indulged in, speeches made by several members, and a most enjoyable evening spent. It was understood this council give a public entertainment at a house sometime in February.

FOLKS' CONCERT.—The concert tonight promises to be as great a success as the one last spring. A large number of tickets have been sold. The "ye congregation" will doubtless fill the hall. Do not miss this chance to hear the "old folks" sing. The committee regrets to announce that owing to death in the family yesterday Miss Cavalier will be unable to appear. Miss Pollard has kindly consented to sing the "Courtin'" song with Mr. Evans, and Miss O'Neil will sing "Cousin Jedediah." With these exceptions the programme will be sung as announced.

THE INFIRMARY.—To the board of managers of the Alexandria Infirmary: Ladies—I hereby submit my report for the two months' term of service ending December 31, 1900. Number of patients readmitted, 14; number of new patients admitted, 27; total 41. Of these there were discharged cured, 27. There were two deaths leaving in the institution at close of term, 12.

Respectfully submitted,
WM. R. PURVIS, M. D.
Physician to Infirmary.
Alexandria, Va., Jan. 9, 1901.

The Best Prescription for Chills and Fever is a bottle of GROVE'S TASTEFUL CHILL TONIC. It is simply iron and quinine in a tasteful form. No cure—no pay. 50c.

The most soothing, healing and antiseptic application ever devised is Dr. Williams' Hazel Salve. It relieves at once and cures piles, sores, eczema and skin diseases. Beware of imitations.

A BOISTEROUS MEETING.—As stated in the Gazette of that day, a stormy meeting of the County Supervisors was held yesterday when a difficulty arose between Dr. D. N. Rust, Supervisor for Jefferson district, and Mr. T. L. Haney, the county surveyor.

Dr. Rust, it appears, favored placing a new bridge on the Washington and Alexandria turnpike near Fort Ransom, about fifty yards north of the old bridge, arguing that it would be better and cheaper to do so.

Mr. L. T. Haney said that the doctor was "trying to hoodwink the Supervisors." Dr. Rust said he had never hoodwinked any one; that he did not propose to have the surveyor make any such statement or intimation, and if Haney repeated the remark he would have him ejected from the meeting.

Mr. Haney repeated his statement, whereupon Dr. Rust picked up a large inkstand and hurled it at the surveyor. Mr. Haney dodged it, but those around the table were bespattered with ink and the inkstand struck Mr. Geo. Vitch, who, however, was not much hurt.

As the surveyor dodged the missile he seized a heavy chair and threw it at the doctor. Dr. Rust caught the chair, at the cost of a few slight bruises to his hands and a sprained finger.

By this time there was intense excitement among the members of the board and the spectators present. Immediately upon throwing the chair Mr. Haney leaped upon the table and started toward Dr. Rust, but these seated near him quickly interposed.

Some one moved to adjourn the meeting, but Dr. Rust stated that he was there for business and would not agree to an adjournment until the business before the board had been disposed of.

Dr. Rust then stated that Supervisor Corbett had been using the roller, crusher and other implements recently purchased by the county, on a private contract for the government, without the knowledge or consent of the board.

This caused something of a sensation, and after some discussion Mr. Corbett agreed to furnish the board, at its next meeting, a written statement of the amount of stone crushed and spread by the county implements on the government contract. Dr. Rust said the county should be reimbursed.

Commonwealth Attorney J. E. Clements, who was present, it is stated, has declared his intention to bring the parties concerned in the fight before the grand jury.

GEN. LEE'S BIRTHDAY.—The arrangements of Lee Camp for a celebration of Gen. Lee's birthday on Saturday next have been almost completed. The camp will meet at their hall at 7:30 o'clock that night and march to the Hotel Apollon where a banquet will be served and speeches made. Congressman Lamb, of Richmond, will respond to the toast to Gen. Lee and Senator Bate of Arkansas to "The Confederate Soldier." The sentiments will be:

"Robert E. Lee: His name shall shine undiminished on the walls of fame, and stand the example of each distant age, and add new lustre to the historic page."

"The Confederate Soldier: Gallant in strife, noble in their ire, the battle was their pain."

Congressman Maddox, of Georgia, will also speak. A number of important speeches are also expected to be made and the evening will be concluded by the reading of Gen. Lee's Farewell Address by Adjutant O'Brien.

BOY FOUND.—The belt and handkerchief known to have belonged to Mary J. Cockrell, the missing girl, who suddenly disappeared from the home of J. A. Sheppard, in Washington, Friday afternoon, were found on the Potomac flats, not far from the Long bridge, yesterday, by Mr. Sheppard and Charles Cockrell, brother of the missing woman. This morning the body of the young woman was found floating in the same locality.

Letter Under Secretary of this city took charge of the remains and brought them to this city, whence they will be shipped to Loudoun county, the home of the deceased, for interment.

THE A. L. L.—The members of the Alexandria Light Infantry met in their armory, last night, for the purpose of electing a second lieutenant to fill the vacancy caused by the resignation of Lieut. R. W. Payne. Among those placed in nomination were the following: First Sergt. Frank L. Slaymaker, Chas. Sullivan, Thomas Nugent, and Julian Y. Williams. On the sixth ballot Mr. Slaymaker was declared elected, and it was then made unanimous. Captain James E. King will later make the announcement as to who will fill the vacancy caused by the election of Sergeant Slaymaker.

NOT A CANDIDATE.—The bright weather has reminded many of the municipal election to be held in the spring and politics is now being discussed. Having heard that Capt. Herbert Brynne had been urged by a number of his friends to become a candidate for Mayor, a reporter of the Gazette today asked Capt. Bryant about his intentions when the latter replied that he never had been, was not now and never would be a candidate for Mayor.

MEETINGS.—At the annual meeting of stockholders of the District of Columbia Paper Manufacturing Company held in this city yesterday the following directors were elected: Wm. Wheatley, Nathaniel Wilson, S. Thos. Brown, G. N. Nicholson and Robert D. Weaver.

The annual meeting of stockholders of the Berlin and Meigs Company was held in this city yesterday.

THE SINKING FUND.—In today's issue of the Gazette appears an article on the Sinking Fund of this city, prepared by City Auditor Price by request. It is quite lengthy owing to many citations from laws and messages, and will be followed tomorrow by an article on market rates, which was the subject of a paper recently read by a member of the City Council at the last meeting of that body.

PERSONAL.—Dr. E. S. Fawcett is quite sick at his home on Prince street. Miss Herbert, who has been visiting Mr. Annie Campbell Thomas in Baltimore, has returned to Alexandria.

Mr. E. T. McVeigh is quite sick at her home on Queen street.

TO CURE A COLD IN ONE DAY TAKE LAXATIVE BROMO QUININE TABLET. All druggists refund the money if it fails to cure. E. W. GROVE'S signature on each box. 25c.

When threatened by pneumonia or any other lung trouble, prompt relief is necessary, as it is dangerous to delay. Promptly suggest that One Minute Cure be taken as soon as indications of having taken cold are noticed. It cures quickly and its early use prevents consumption.

Persons who suffer from indigestion can not expect to live long, because the cannot eat the food required to nourish the body and the products of the undigested foods they eat poison the blood. It is important to cure indigestion as soon as possible, and the best method of doing this is to use the preparation known as Kodol Dyspepsia Cure. It digests what you eat and restores all the digestive organs to perfect health.
